Surfaceteq

Environmental Benefits

- GREENGUARD for Children and Schools Certified
- GREENGUARD Indoor Air Quality Certified
- Can contribute to LEED points
- Certified by NSF International as safe for use as a food preparation surface
- Radon Free
- 100% of water in production plants is recycled
- Scrap material is collected and used as road base material on local construction projects

Cambria and Surfaceteq

- Cambria can be substituted for any of Surfaceteq's standard tops sizes and be used with any standard base
- Need something custom? Surfaceteq can utilize Cambria on reception desks, circulation desks and case goods
- Want Cambria but unsure of the color? No Problem! Surfaceteq offers all 64 Cambria colors at the same price point
- Call Surfaceteq for pricing today

Quartz vs. Granite

- Cambria is 93% pure natural quartz making it twice as strong as granite
- Cambria is a nonporous surface that resists stains. Just wash with warm water
- Granite is porous and subject to staining if not maintained with sealers, conditioners, cleaners and wax
- Warranties for granite surfaces generally are unavailable. Cambria offers a Lifetime Limited Warranty
